About DCRC

DubaiCRC is a social and community sport foundation, inspired by camel races in terms of preparation, organization, continuity and constantly improvement and development.

Our Vision

The DubaiCRC ... is a pioneer and a leading sport establishment in the UAE, inspired by camel racing, locally, regionally, nationally, internationally, and globally at the Arab and foreign levels as well, constantly striving for developing and enhancing this popular sport, beside the regulatory and punctuality in organizing camel races to gain the international status, and Dubai is the prominent center in the world to arrange and organize such races.

Our Mission

We offer, all our accumulated financial, human capabilities and experiences to provide distinguished and quality services in training and organizing methods.

We work, to provide an attractive and an appropriate environment for all camel teams, locally, regionally or internationally, arriving to participate in the races that arranged and conducted by Dubai Camel Racing Club.

Our Values
