YAL OBJECTIVES

YAL aims to build on the capabilities, skills and power of its regional network of members, who have a track-record of achievements, to develop young Arab talent through mentorship and education programs. Unlocking the expertise and resources of a regional support network, YAL empowers youth through various initiatives and workshops to develop their creativity and confidence to enter a culture of entrepreneurship and leadership.

MISSION & VISION

MISSION

Develop and leverage a strong network of Young Arab Leaders to serve as mentors and educators to young entrepreneurs, business delegates, and university students in their local community.

VISION

Empower The Next Generation of Leaders in The Arab World.

YAL CORE VALUES

While supporting the professional ambitions of our members and the needs of local youth we are committed to:
